Control description: in the center of the night race – area of ski slope TJ MARS Svatka

Interval start: interval start is used

Map:

Česká Cikánka, measure 1:10000, E = 5 m, July 2010, used norm is ISOM 2000,

author Petr Mareček, size of the map: A4 (29,7 x 21 cm). Map will be protected against water.

Restricted area: forest nearby Svatka

Terrain: typical terrain for Czech and Moravian Highland

Punching system: All categories are running with the system SPORTident (SI).

Competitors are obliged to clear and check their SI card before the start (the units will be placed in the corridors 1 and 2 minutes before the start). At the finish line, competitors are obliged to punch the finish unit. In the case of any problem with electronic punching system, use mechanical punching into the area on the map.

Controls: O-flag + reflex roller

Time limit: 140 minutes for all categories

Time of closing of the finish: after the finish of the last competitor

First Aid: basic aid in the finish of the race. All competitors are running at their own risk and

cover the expenses of potential health aid from their health insurance !

Refreshment: water in the finish

In the center of HSH Vysočina in Čachnov, field pub will be opened with various food and drinks

WC and washing: in the camp in Čachnov

Spectator control: the last control

Preliminary results: in the center of the night race and in the center of HSH Vysočina in Čachnov

Celebration of winners and prizes: on Friday, after stage 1

Director of the race: Petr Martinec

Main referee: Petr Mareček, R2

Course-setting: František Záhorec, R3

Jury: Martin Baier, Forstová Lenka, Syväterä Pekka

We wish you nice sport experience and enjoy your stay !
